

REMARKS

By this Preliminary Amendment, a Cross Reference to Related Applications and an Abstract of the Disclosure are being added to the specification, and the original claims are being amended to conform with standard U.S. claim practice. More particularly, the reference characters and characterization clauses are being removed from the claims and the claims amended to ensure clear antecedent basis. Further, certain parenthetical phrases of original independent claim 1 are being rewritten in two dependent claims 6 and 7. Claims 1-7 remain in this case.

Favorable consideration of this application, as amended, is respectfully requested.

Respectfully submitted,

Jeff Rothenberg
